COMMENTS FROM THE TOWN MANAGER'S OFFICE

I received another communication from the State Highway Commission this week and they informed me that the state aid project on Route 35 will be built this year if it is possible. The legal points that have delayed the start of construction are being attended to and the road will be rebuilt this fall if there is time enough before winter.

The town road improvement job on Swan Hill in East Bethel is nearly half done. Most of the widening has been done and most of the grade changes have been made. A couple more weeks should finish up the job.

The work on Mason Street is done for this year. Some people have found that the street does not ride very well. The weaving that you feel while driving over Mason Street is caused by the sand on the street. The street was tarred on Sept. 26 and heavily sanded. They sand will be left on the street to protect the tar. The street will be mulched next summer with an inch wearing coat of emulsion.

There is still a lot of activity at the airport with more airplanes permanently based there than at any time this summer. At last count there were seven planes in a town of just under 2500 population in a very high ratio. All sorts of things are compared these days and it might be interesting to find out the average ratio of planes to population in the state and also the highest ratio of planes to population.

I believe the next planning board meeting is scheduled for Thursday, Oct. 15, at 7:30 p. m. at the Selectmen's Office. Persons interested in planning or zoning or related subjects are invited to attend.

SPECIAL SERVICES AT NAZARENE CHURCH NEXT WEEK

Special services will be held at the Church of the Nazarene, Bethel, on October 13-14. The speaker will be Rev. Ernest Smith of Strong. Rev. Smith has spent 17 years as active pastor of Churches of the Nazarene in the State of Maine.

The church and its pastor extend a hearty welcome to you and your friends. Each and every service will be filled with good things: spiritual songs, choruses, special music, a dynamic gospel message.

Leroy Barker underwent surgery at the CMG Hospital Monday.

BETHEL BREAK NETS BURGLARS \$3,000 IN HUNTING GOODS

Burglars took an estimated \$3,000 worth of hunting supplies from the Bethel General Store on Railroad Street in a break reported Saturday.

Owner Robert Billings said his loss included \$3,000 worth of ammunition, mainly for rifles and pistols. 11 guns, valued at \$75, and 15 to 20 hunting knives, valued at \$45. The guns were five high powered rifles, five pistols and one shotgun.

In addition Mr. Billings reported \$20 to \$25 in change was taken from the cash register. Oxford County Deputy Sheriff Alton Howe said entry was gained by breaking a small rear window to open a door.

Aiding in the investigation are Sheriff Stephen A. Conant, Deputy Gilbert Stevens of South Paris and State Trooper Victor Greenleaf.

School Notes

The Union School held sessions for two days this week. The teachers attended the County Convention at Bangor Wednesday and State Convention at Bangor Thursday and Friday. Many good ideas on continuation of good teaching can be gleaned from these meetings if you are a good professional teacher. It's the teacher who doesn't care that gains nothing from these gatherings. Think it over. We should be putting our shoulder to the wheel and pushing for better meetings instead of tearing down the rights we have gained as County Teachers organization.

Mr. and Mrs. Ellis Davis were in Grafton Sunday, going down the 12 mile woods to Berlin and home. The leaves are falling fast in that area. They are pretty at present in the cap overland back of the house.

METHODIST CHURCH BEGINS STEWARDSHIP PROGRAM

The Methodist Church is launching into a program of development which will last from the present time until about Thanksgiving time. The several program, unlike any undertaken by the church in the past, is being developed through four special committees and a general chairman.

General chairman and coordinator of the whole program is Richard Davis. Mr. Davis was the choice for this position of leadership by the Stewardship and Finance Commission. He will work with the four committee chairman and the pastor.

The program, entitled "The Every Member Visitation Program" consists of four main thrusts of the respective committees. The chairman of the Program Building Committee is Stanley Brown. Through his leadership the committee will assess the last year's program of the church and obtain program ideas for the next year from all existing church organizations.

The second committee, The Resources Committee, is under the leadership of Albert Trunk. The work of this committee will be to evaluate the potential for commitment in the church. His committee will use the help of 40 or more persons to arrive at an evaluation of the church's stewardship and leadership potential.

REV. LEHMAN TO SPEAK CHURCH OF OPEN BIBLE SUNDAY EVENING

The Rev. Glen A. Lehman, of Chicago, Illinois, will be speaking at the Church of the Open Bible on Sunday evening, Oct. 11 at 7 p. m.

Mr. Lehman is the National Executive Secretary of the Independent Fundamental Churches of America. This national organization consists of 1,000 ministers, 460 affiliated churches with member ministers in 324 other churches otherwise unaffiliated. The organization include three Bible Institutes, one Bible College and twenty-two missionary organizations. The official magazine is The VOICE, of which Mr. Lehman is Editor-in-Chief. Official headquarters are located in Chicago. It is a part of his responsibility to minister in the 27 Regional organizations and the local churches throughout the country. He is in New England for about thirty (30) days in cooperation with the New England Regional of the Independent Fundamental Churches of America and the Northeastern Gospel Crusade.

A native of Kansas, Mr. Lehman had a varied background in engineering and construction before entering the ministry. He graduated from the Moody Bible Institute of Chicago and had served 22 years as a pastor when appointed to his present position in 1959. His wife is the former Geraldine Moorhead of Cicero, Illinois. The eldest of their five children are in Christian work, with the fourth now in training. Mr. Lehman has served on the Boards of 17 missions and educational institutions and is a member of the Board of Trustees of Calvary Bible College in Kansas City, Missouri, and the Board of Directors of the Independent Church Foundation.

The fourth committee, the Publicity Committee, is under the leadership of Richard Blake, Jr. This committee will plan a visitation program which will involve the membership in reaching out to the non-members who are constituents of the church. The job of the visitors will be to receive training for visitation and then to present the new program of the church to all members and constituents in their homes.

The fourth committee, the Publicity Committee, is under the leadership of Mrs. Phyllis Dock. Under her leadership the committee will order materials and educate the congregation about the aims of the entire program and the development at each point.

One of the highlights of the program, at about mid-point in the schedule, is the Congregational Dinner. The congregation will be invited to the dinner and following the supper the progress of the program will be cited by the committee chairman and a question and answer period will allow people to know exactly what is being done.

TIBBETTS - DAVIS

The nuptials, joining in Holy matrimony, Patricia Mae Davis, of Auburn, and Roger Harold Tibbetts of Bethel, were solemnized by the Rev. J. Nesbitt Lello of Norway at the First Universalist Church in West Paris, at 10:30 in the morning on Saturday, October 3.

The bride, wearing a street length bridal gown with shoulder length veil, topped with rhinestone pearl crown and carrying a cascade bouquet of shattered mums grouped about a lavender orchid, was escorted to the altar by her grandfather, Percy M. Brown, of Livermore.

Mrs. Geraldine Davis Hartzell of Freeport, cousin of the bride, acting as matron of honor, wore a street length gown of pink taffeta with matching veil and carried a bouquet of white and deep pink carnations.

Acting as bridesmaids and wearing identical gowns of turquoise taffeta and carrying colonial bouquets of white and turquoise carnations were Lorraine Davis of South Woodstock, sister of the bride and Virginia Tibbetts of Bethel, sister of the groom.

The groom chose as his best man his brother-in-law, Keith Bennett, of Mechanic Falls.

Ushers were Carroll Bean of Bethel and Gerald Johnson of Bryant Pond.

PLAYERS MEET

Bethel Players met Tuesday evening and discussed plans for three one-act plays as their next endeavor. Plays selected were "Mrs. Harper's Bazaar," a light comedy to be directed by Mrs. Warren Hastings; "The Old Lady Show Her Medals," a touching musical play to be directed by Mrs. David Thompson; and "The Monkey's Paw," an English classic mystery for which a director is needed.

Production dates have been tentatively set for the latter part of November, pending completion of casting and a third director try-outs for the plays, which require the talents of six men and thirteen women.

will be held at the Community Room on Monday, Oct. 12, at 7:30 p. m. After casting has been concluded, a production committee meeting will be set and arrangements finalized.

'65 Chevrolet Impala Sport Sedan

'65 Chevrolet Impala

It's '65's biggest, most beautiful change. There's striking new styling. New length, width and lowness. A roomier new body by Fisher houses an interior that's a knockout. And a more serene jet-smooth ride with a new full coil suspension system. Fact is, if you overbought just one thing you can easily convince yourself you're onto a big expensive car here. And that thing is a Chevrolet price.

New Corvair Corsa Sport Coupe

'65 Corvair Corsa

There's never been anything like it from either side of the Atlantic. There's new thin-line hardtop styling for all closed models. More length and width, more entrance and shoulder room in all models. And a higher powered range of engines—with up to 180 hp available in the top-of-the-line Corsas. Now, sporty can a car get? Your dealer's got the Corvair that'll show you.
